

## **Protecting the Right to Life**

- ✓ **President Trump** has given states the option to deny **Planned Parenthood** access to Medicaid and other federal grant money because **Planned Parenthood** uses this money to facilitate its conducting of more than 328,000 abortions per year at Planned Parenthood's abortion mills.
- ✓ **President Trump** has ordered a halt to all U.S. taxpayer money going to international organizations that fund or perform abortions.

## **Vice President Mike Pence**

- ✓ **President Trump** chose Governor Mike Pence as his Vice President. He could not have picked a more rock-solid conservative. In fact, all of President Trump's key appointments have been rock-solid conservatives. This is essential because "Personnel is Policy."

## **Breaking Up the Left's Control of Education in America**

- ✓ **President Trump** has directed our conservative Secretary of Education **Betsy DeVos** to end the anti-Christian so-called "common core" curriculum that was aggressively promoted by Obama.

## **Establishing Law and Order in America**

- ✓ In sharp contrast to President Obama's rhetorical war on America's police, **President Trump** is outspoken in his support for America's police and has offered cities federal support to crack down on violent crime in our city streets. The result: Murders and violent crimes are dropping in most cities under President Trump instead of rising as was happening under Obama.

And this is just a partial list of what **President Trump** has actually accomplished so far as President.
