

THE MANY KILLS OF JANET MILLS CRUSADE PRE LAUNCH RECEPTION

Governor's Restaurant

350 Main St, Presque Isle, ME 04769

Presque Isle * 8:00 AM * Wednesday, May 29, 2019

Rev. Michael S. Heath

Executive Director of the Christian Civic League of Maine 1994-2009

Paul Madore

Director of the Maine Grassroots Coalition

On Thursday, May 30th, two long time winning Christian crusaders for sexual justice and reason — one Evangelical and the other Roman Catholic — will launch their boldest offensive ever. Michael Heath and Paul Madore led many successful local and statewide campaigns against sexual confusion and evil through the 1990s and 2000s. Realizing that the stakes have never been higher on the “social issues” the men are teaming up once again. At 10 AM on Thursday they will stand between the House and the Senate Chambers on the third floor of the Maine State House. Holding signs declaring their intentions they will launch the Crusade with the Imprecatory Psalm 69. All Maine citizens are invited to join them in Prayer for our state and nation.

“I’m looking forward to reconnecting with old friends in God’s Country,” said Heath. “At this Pre Launch Reception we will draw some lessons from past battles, and discuss emerging plans for this spiritual offensive on hell.”

Madore observed that he is grateful to Jesus for the good people of Maine. “They are not at all well served by this Governor.” He declared. “She must be confronted.”

If the men can rally enough statewide support to launch an impeachment action against her then this tactic will be pursued.

Heath and Madore will present their reasoning to the assembled faithful, and invite comment.

Michael and Paulie Heath have been married for thirty seven years and have three sons and six grandchildren. Paul and Susan Madore have been married forty two years and have nine children and thirty six grandchildren.

The Pre Launch Reception is not open to the press. The public is invited. The State House Launch on Thursday morning will be public. Press Interview requests, questions about the Reception or Launch event, should be directed to Michael Heath at 207-956-0819 and Paul Madore at 207-754-8572.
