**UPDATE BULLETIN!!!** This is a fast summary of the HIGHLIGHTS ONLY of a DETAILED report of the war now being waged against a very real spiritual problem in Aroostook County, Maine which will have national consequences!! You can read the detailed report at: [www.thecountyblog.net/2019/08/05/the-countys-pillar-problem/](http://www.thecountyblog.net/2019/08/05/the-countys-pillar-problem/)

The essence of the detailed report was confirmed just this past August 1, 2019 by a preacher speaking at the annual camp meeting at the Whited Bible Camp in Bridgewater, Maine. This preacher was from LOUISIANA, and had arrived at the camp only twenty minutes before he was to preach. He hadn't had time to talk to anyone about the County's "Issues" and had no prior knowledge of the issue of the "Pillar of Wickedness" in the County but was speaking by revelation of the Holy Spirit. The dozen or so pastors from "The County" that were there at the meeting had all gotten the early developing copies of this article from me by the Postal Service mail TWICE over the last five months, and when the Louisiana preacher spoke at length in his sermon about AROOSTOOK COUNTY and a bad problem with a "Jezebel spirit" the pastors thought of me and the detailed report. The CONFIRMATION by the Louisiana preacher is KEY in getting the point across that there is a REAL PROBLEM with P&P's and demons in "The County" and God wants us to "knuckle down"...and DEAL WITH THE PROBLEM!!!

The problem is that there are Ephesians 6 principalities and powers that have taken up residence in Maine, centering their stronghold in Aroostook County. The people of Aroostook County, by their lifestyles, choices and activities have given these principalities and powers legal permission to attach themselves to The County, affecting the lives of the people therein, suppressing holiness with their activity; and only an acceptable degree of 2 Chronicles 7:14 repentance in the hearts of a sufficient number of people will move the hand of God to deliver us out of the situation.

How do we know there is a problem? **1.) Two people from Aroostook County** vacationing in Sweden were told of the problem by a traveling evangelist who had a "vision" of "**3 pillars of wickedness,**" the **MOST POWERFUL** being the one in Maine. **2.) A powerful confirming demonic attack** on myself which is described in full in the detailed report. **3.) A high level Satan worshipper** moved to Aroostook County to shut the developing Christian Revival down using serious demonically inspired activities typical of hard-core Satanists. One consequence of this was the death (via his car hitting a moose) of a Christian who PRE-EMPTIVELY attacked this evil entity in prayer. Until we are instructed differently by the Lord, you DON'T (on your own and pre-emptively) attack upper level principalities and powers, you repent (in concert with at least several others) of your own sins and shortcomings, fast and pray, and GO TO GOD ASKING HIM TO DISEMPOWER THE P&P'S. **4.) The visit to my store by a JASON BOURNE-TYPE SUPER SOLDIER,** seemingly for the purpose of either killing me or scaring me into silence and inactivity. SUPER-SOLDIERS are specially trained men and women who have been run through a process to suppress OR KILL their natural soul and implant multiple demons in them, each with a specific skill set which is triggered by a "code word" specific to the type of mission (assassination, sexual seduction, etc.) and demon type who would carry it out. (More detail in the report). A visit like this would NEVER happen if our prayers were ineffective! Satan and his forces watch and keep tabs on those people who are EFFECTIVE in Christ!! **5.) The death of two Christians,** both on the May 6<sup>th</sup> "New Moon" when witches gather to pray (again, described in the report). Demons are fed off of, and are strengthened by the emotions experienced by people,

and especially if those strong emotions can be created in CHRISTIANS. Demons and P&P'S deliberately try to inspire and then feed off of rage, depression, the intensity of lust, great sorrow, or the shedding of blood (especially Christian blood!) **6.) EVEN CHRISTIANS CAN BE "DEMONIZED"** (which is different than being "possessed.") **WATCH 10 MINUTES OF:** [www.youtube.com/watch?v=ZNp6DNQOOL0](http://www.youtube.com/watch?v=ZNp6DNQOOL0) **7.) Research revealed that ANCIENT EVIL ENTITIES were involved...**likely ancient associates of Dagon, Molech, Ba'al, Annubis, and Ra. AND Aroostook County was found to likely be a "demonic portal" and is directly in line with the most famous/notorious sites of wickedness in the world!! (The Tower of Babel, Mount Hermon, Stonehenge, the "Serpent Mound" in Ohio, and Teohuatican in Mexico).

**IN CLOSING:** In his book *Expelling Darkness*, Russ Dizdar, a world-known expert in the deliverance ministry, made a statement that agrees with what the Lord has shown me; that to continue to IGNORE these problems is to EMPOWER THEM. If we decide NOT to deal with the presence of the evil spirits, the problems will get even stronger/worse, and the grip of the P&P's on the area and on people's minds and hearts will get even more powerful because of the TACIT PERMISSION granted to the principalities and powers or rulers of darkness by our NON ACTION. (Dizdar, Russ; **EXPPELLING DARKNESS, page 108**)

**ALSO, IN THE DETAILED REPORT,** at the very end, on page 14 and 15, is a description of the difference between demons and P&P'S (principalities and powers), and where they come from.

To be continually updated on progress with this effort against the "Pillar," call into the Aroostook Prayer Network Conference prayer call line which is held every Tuesday night at 8PM-8:45PM, and pray with others and then participate in the discussion which is held afterwards. The phone number is: 1-515-604-9097, Access code 117023#. If that Access code fails to let you into the call (saying that the Access code is not valid), then call the backup number which is 1-716-293-9770 THEN enter 515-604-9097#, THEN try the access code again which is 117023#. If you have to use the backup phone number, the procedure changes...ENTER PRECISELY the numbers and symbols that I have specified!

If you live in Northern Maine and want to join with us in a monthly prayer meeting to deal with this 3 Pillar issue, and need to be caught up on the details and the current meeting location, email me at: [garyjh@ainop.com](mailto:garyjh@ainop.com) or go to [www.thecountyblog.net/meetings](http://www.thecountyblog.net/meetings) In addition to the monthly meetings for prayer, sometime in the future we plan to do a Solemn Assembly and prayer walk.

Why such a huge effort for Aroostook County's deliverance? Because of the unusual power and importance of this particular P&P: When this P&P is brought down, there is the potential to not only bring deliverance to Aroostook County, but have effects AROUND THE WORLD due to the United States being unshackled NATIONWIDE, and becoming a shining example to the world once again!!

**Thanks for "listening" and please give me your thoughts!**
